Dear Sir/Ms:

The following questions have been received:

**Question:** Is a bid bond required?

**Response:** There will be no bid bonds, performance bonds or payment bond required.

**Question:** If the Contractor wishes to take advantage of the 48 hour closure, who is responsible for the "Public Notification" per Section 104.4.10 of the Standard Specifications?

**Response:** The MaineDOT is responsible for all detour signs.

**Question:** Please verify that the Contractor has no responsibility for the detour route (signs) if I choose to utilize the 48 hour closure.

**Response:** The MaineDOT will do all public notifications as long as a minimum of two weeks notice is given to the MaineDOT.

Consider this information prior to submitting your bid on September 19, 2012.

Sincerely,
